

# SOUTH BALTIC DREAM TOUR DESIGN: KAYAKING EXPLORATION

## THE CONCEPT: THREE KAYAKING ADVENTURES IN ONE TRIP

We invite you for a new adventure on your vacation. You will experience three kayaking experiences in the three different countries and their scenic parts of the Baltic Sea. You will start your adventure in Souther Sweden by visiting port town of Karlshamn, you will dip your canoes in southern part of Immeln lake, you will go to big lake of Ivösjön: rocky shores, constellation of islands and herons overhead. Your goal in Poland will be Brda river - easy navigation, moderate waterflow. Besides, you will have to chance to discover an unique water route in Curonian Spit in Lithuania, surrounded by the beautiful sights of the Dead dunes. You will have a good time, great emotions and unforgettable vacation. Welcome to Kayaking exploration in the southern Baltic Sea.
